

We have received complaints about the way you put out your garbage.

We would like to inform you once again about how to separate your garbage.

Garbage will not be collected if it is not separated properly.

Please be sure to separate garbage and put it out in the designated garbage area.

Please observe the following points when disposing of garbage..

1. Please put out garbage on the morning of the collection day.
2. Please be thorough in separating garbage.
3. Please put out burnable garbage, non-burnable garbage, and plastic containers and packaging in the garbage bags designated by the city.
(For other items, please refer to the attached pamphlet.)
4. You must apply to the city for collection of large-sized garbage.
If you put them out as they are, they will not be collected.
Applications are accepted by phone, internet, or on line.
5. Home appliances must be recycled at the store where they are sold or at the Home Appliance Recycling Ticket .
Recycling is required. They will not be collected if you put them out as they are.

Please be sure to follow the rules for garbage disposal.

For details, please refer to the enclosed pamphlet on how to dispose of garbage.
